

## Rotary Club Prague International

Our objective is to bring like-minded people together to provide humanitarian services in the spirit of friendship and international collaboration. We unite individuals from many different nations, including expatriates who live in Prague as well as Czech members who have had international experience in their lives.

Raising funds to help others is a large part of what we do, but we also organize events such as walks and cycle rides which are purely social and for fun. Our club members make up a wealth of talent ranging from business, finance, language skills, coaching, legal skills, architecture, social services, entrepreneurship and many more and we are proud to be able to use these skills in the name of Rotary to help others.

Being part of Rotary is more than just giving back to the community, it's also about making some great friends along the way. Our club is a friendly place where we meet, discuss and listen to speakers from a wide range of backgrounds who share their knowledge, increasing our social and cultural understanding. Our members also share a common interest in making new friends and if you visit one of our events or meetings you will immediately feel the sense of camaraderie and fun in an English speaking and international environment.

RCPI became a chartered Rotary Club in January 1998 and is the only English-speaking International club in Prague. The club is part of the Czech and Slovak Rotary district no. 2240 which has more than 70 other member clubs.
